**Subject: Initial Notification Forms – 40 CFR Part 60, Subpart JJJJ  
Springhill Compressor Station  
Williams Laurel Mountain Midstream Operating, LLC  
Springhill Township, Fayette County, PA.  
Stationary Spark Ignition (SI) Internal Combustion Engines**

Dear Sir or Madam:

In accordance with 40 CFR Part 60.4245(c)(1-5) of the New Source Performance Standards (NSPS) for Spark Ignition (SI) Internal Combustion Engines and 40 CFR Part 60.7(a)(1) of the NSPS General Provisions, Williams Laurel Mountain Midstream Operating, LLC is providing you the attached notification of applicability for our SI ICE units that are now subject to Subpart JJJJ. These units are located at the above referenced compressor station.

The equipment for which this initial notification is being submitted is defined as "new or reconstructed stationary" RICE under 40 CFR Part 63, Subpart ZZZZ; thus, compliance with this regulation will be achieved by complying with the NSPS requirements of 40 CFR part 60 Subpart JJJJ for spark ignition engines. No further requirements apply for these engines under Subpart ZZZZ. Emissions compliance testing to comply with Subpart JJJJ will be completed on installed units in accordance with regulatory requirements.

We have provided this notification both to you and to the Pennsylvania Department of Environmental Protection.
